

EMMEDIA is a Calgary-based organization that promotes and advances video, audio, and time-based media arts production. We work within the artistic, social and cultural community to provide broadcast and high definition video and audio production and post-production facilities. The centre also maintains a public exhibition program year-round. EMMEDIA offers an array of media and web production workshops and residencies, commissions and access programs in the media arts. EMMEDIA has been a voice and a venue for the media arts in Alberta since 1979.

EMMEDIA is supported through assistance from The Canada Council for the Arts, The Alberta Foundation for the Arts, Calgary Arts Development, National Film Board, Alberta Media Arts Alliance, Webcore Labs, private and corporate donations, self-generated revenues, and the volunteer efforts of the arts community.

EMMEDIA is located at:
 #203, 351 - 11 Ave. SW
 Calgary, Alberta T2R 0C7

EMMEDIA

SUMMER MEDIA ARTS CAMP

FOR AGES 13 - 17

JULY 26 - 30, 2010 | AUGUST 23 - 27, 2010

EMMEDIA Summer Media Arts Camp for Youth

EMMEDIA is Calgary's premier centre for the Media Arts. We are excited to offer for the first time a youth camp dedicated to all forms of Media Art – video, audio, web etc. Participants will enjoy 5 days of fun and creativity through various forms of expression – narrative, documentary, experimental, public service announcements, audio/radio and web. Groups will come away with short original media arts work.

Participants will learn how to operate EMMEDIA's state of the art video and audio equipment, brainstorm project ideas, build and plan projects, and produce, edit & present Media Art to the public.

Classes will be held at EMMEDIA and taught by instructors who are qualified and experienced artists. The camp runs Monday to Friday with a screening/performance of the participants work Friday afternoon for friends and family. Participants will leave with a DVD of all work produced that week.

Lunch will be supervised.

For more information please contact EMMEDIA or visit www.emmedia.ca
